CPI Member support:

- **Documents available on the CPI website www.paper.org.uk (Members Area)**
 - REACH – the basics
 - Guidance REACH: Obligations for Downstream Users
- **Access to the REACHReady Helpline**
 - REACHReady is a REACH support service provided by the Chemical Industries Association (CIA) www.reachready.co.uk.
 - CPI is a Gold member of REACHReady and is able to access the helpline on behalf of CPI Members. If you have a specific question or concern regarding any aspect of REACH, please contact Debbie Stringer at CPI (dstringer@paper.org.uk). **Note: all questions must go through CPI as the REACHReady Gold member.**
 - An alert service to notify members to intended Substances of Very High Concern, consultations on additions to the Candidate List, new additions to the candidate List, consultations on Restrictions proposals and notification of substances becoming subject to Authorisation is available, provided by REACHReady through the Gold membership subscription. To be on the mailing list for these alerts, please contact Debbie Stringer at CPI (dstringer@paper.org.uk).
 - **Policy representation / support on emerging industry issues:** contact Debbie Stringer at CPI (dstringer@paper.org.uk).
